

## A FULL SENSORY SPA EXPERIENCE

Escape from the physical, mental and emotional demands of life and allow yourself to be transported to another realm by Spa InterContinental that offers treatments based on Asian and Western culture to harmonize body and mind.

Bringing local expertise to life, our spa treatments rely on the comforting qualities of fresh, local, traditional herbs and plants that for generations, have been used to heal. A quintessential way of relaxing

This is not just a treatment. It is an experience.
